RESERVATION POLICY:

We require a **non-refundable** \$100 deposit to reserve your party date and time. This deposit will go toward your final bill that is due at the close of the party.

CANCELLATION POLICY:

All cancellations forfeit refund of the deposit. However, if a 48-hour notice is given due to weather, we can offer a reschedule date/time and the deposit can still be applied toward the newly scheduled party date/time. Once the party has started, we do not give any refunds or have any place indoors to host the party. The head lifeguard/pool manager controls lightning/thunder delays and pool closures. Therefore two days before the party, if the radar shows rain, then we'll be flexible on changing the date.

SCHEDULING POLICY:

Scheduling within one week of party date may incur extra fees.
