Meet Alex

I am very excited to join the SOAC squad as a swim instructor and an assistant swim coach for our SHARKS! I have been in love with the water since I learned how to swim. It is my passion and goal to teach other how to love swimming as much as I do! I look forward to meeting and working with your children this summer!

Meet Isabella

I am very excited to return to the SOAC family this summer as both a swim instructor and assistant swim coach to our SHARKS! I started swimming on a team in the 5th grade and continued through my high school career at St. Michael. I love swimming and being in the water! I am looking forward to sharing my passion for this sport with our young SOAC members!
